Important News For All Members

At our AGM held on Friday 7th October 2022 a proposal from the Executive Committee needed, (as per our Club Constitution), to be voted on by the membership for approval.

We are all facing increasing costs in everyday expenditure, and this applies to our Club as well. The Executive Committee agreed that the following increases were to be put to the membership:

- 1) Full membership £80 up from £70
- 2) Social membership £15 up from £12
- 3) Green Fees £2 up from £1.50
- 4) Carpet Bowls per session £2 up from £1

These are the first increases that the Club has made in at least 7 years.

These increases were unanimously approved by those members attending the AGM and will come into force immediately.

Payment of Annual Membership can be taken from now.
